

Millennium Founders Circle

Millennium Founders Circle commitments help to build the operation and programming endowments in support of the Thousand Oaks Civic Arts Plaza and provide opportunities to take a decisive role in the future of the center. Gifts at these higher levels of participation may include the flexibility of deferred giving plans tailored to each donor's capabilities and desires.

This prestigious Advisory Donor Group joins with the leadership of our community to ensure the continued enjoyment of outstanding cultural experiences presented at the Plaza. Members hold an honored position at the Civic Arts Plaza, and have been granted special responsibilities and privileges.

This pledge form is a legal document. Pledges of donations to the Alliance for the Arts are considered unconditional promises to give and therefore constitute a binding contract. The contract is payable within a five-year schedule. These pledges are accepted with a 20 percent down payment (one-fifth of the total pledge) which is considered the first year's installment. Pledge reminders are sent out to assist donors in meeting their obligations. Failure to fulfill commitment when due may result in removal of name without refund of previous payment(s).
